

## CLASSES

Classes meet every Monday at the times posted on [www.Learn2Clog.com](http://www.Learn2Clog.com) and announced in class unless the Recreation Center is closed or I announce otherwise.

Feel free to visit classes outside of your skill level, but please respect the level of the students in the class you visit by not attempting to redirect it to your skill level.

Take breaks as needed but please remain in the clogging room except for bathroom or water breaks. Dispose of any trash you generate in the trashcans provided.

Bring a huge smile and be ready to laugh and have FUN! This is your time to relax and get away from all the stress, drama and judgment in everyday life, so please don't bring any with you! Also remember that learning isn't a competition; everyone learns at a different pace and it's quite okay to help each other as you progress at your own pace!

## PRIVATE LESSONS

Private lessons are available by appointment for \$35 per hour or portion thereof.

## COMMUNICATION

Please tell my in-class secretary if you have any questions or concerns and she will pass them along to me.

## DROPOFF/PICKUP

Children's safety is always a top priority. Children under the age of 14 should *always* be escorted from the parking lot to the clogging room and vice versa, NOT dropped off in the parking lot.

## WHAT TO WEAR

Comfortable, loose-fitting clothing is recommended. Other than that I don't have a specific dress code, but please remember clogging is a family activity and dress accordingly. Oh, and be prepared to breathe heavy and work up a sweat!

## SHOES

Clogging shoes and taps are not required for the beginner clogger. Any smooth soled lace-up shoes with closed toes and heels will work. However, clogging taps allow you to hear your foot sounds and rhythms and can be attached to casual shoes. We will assist you in ordering clogging shoes or taps.

## VISITORS

Visitors are welcome to quietly observe classes provided they are courteous in keeping noise to a minimum; this includes small children. For safety concerns, small/young children are not allowed to run freely among the dancers. Please introduce your visitor to me at the start of your class and let me know if you they would like to participate in class.

Receive *ONE MONTH FREE*  
for every **three new students**  
you enroll in clogging!

## PERFORMING

Performing is FUN....and always optional! We are a recreational and performing CLOG 4 FUN team! Performance participation is based on many factors including but not limited to class attendance, attitude, ability, and demonstrated knowledge of material and sometimes age. Team t-shirts for casual wear or performing are available for order at the class information table.

*\*\* To insure your payment is properly credited, please pay in clogging class and not the office.*
